

### Patient Information

| Element                     | Data                                  |
|-----------------------------|---------------------------------------|
| Name                        | Coded Pseudo-Name to ensure anonymity |
| Sex                         | Male                                  |
| Race1                       | White                                 |
| Race2                       | American Indian or Alaska Native      |
| Race3                       | Other race                            |
| Ethnic Group                | Not Hispanic or Latino                |
| City                        | Oklahoma City                         |
| State                       | Oklahoma                              |
| Zip Code                    | 74852                                 |
| Country                     | UNITED STATES                         |
| County/Parish Code          | 40125                                 |
| Patient Death Date and Time |                                       |
| Patient Death Indicator     |                                       |

### Visit Information

| Element                   | Data               |
|---------------------------|--------------------|
| Admit or Encounter Reason |                    |
| Admit Date and Time       | 02/01/2010 7:30 AM |
| Patient Class             | Emergency          |
| Diagnosis Type            |                    |

### Observations[\*]

#### Observation Results Information

| Element                    | Data  |
|----------------------------|---|
| Observation Identifier     | Facility / Visit Type                                       |
| Observation Value          | Emergency Care  |
| Units                      |   |
| Observation Results Status | Final results; Can only be changed with a corrected result. |

#### Observation Results Information

| Element                    | Data  |
|----------------------------|---|
| Observation Identifier     | Chief<br>complaint:Find:Pt:Patient:Nom:Reported             |
| Observation Value          | A headache, nausea, and dizziness                           |
| Units                      |   |
| Observation Results Status | Final results; Can only be changed with a corrected result. |

#### Observation Results Information

| Element                | Data                      |
|------------------------|---------------------------|
| Observation Identifier | Age Time Patient Reported |

|                            |   |
|----------------------------|---|
| Observation Value          | 70  |
| Units                      | year  |
| Observation Results Status | Final results; Can only be changed with a corrected result. |

### Observation Results Information

| Element                    | Data  |
|----------------------------|---|
| Observation Identifier     | Height  |
| Observation Value          | 65  |
| Units                      | inch  |
| Observation Results Status | Final results; Can only be changed with a corrected result. |

### Observation Results Information

| Element                    | Data  |
|----------------------------|---|
| Observation Identifier     | Weight  |
| Observation Value          | 170   |
| Units                      | pound   |
| Observation Results Status | Final results; Can only be changed with a corrected result. |

### Observation Results Information

| Element                    | Data  |
|----------------------------|---|
| Observation Identifier     | Tobacco Smoking Status                                      |
| Observation Value          | Current Light tobacco smoker                                |
| Units                      |   |
| Observation Results Status | Final results; Can only be changed with a corrected result. |
