

Description

The Laboratory Test Compendium from Century Hospital Clinical Laboratory is a subset of their Directory of Services. It is based upon the most commonly ordered lab tests by Dr. Radon. This compendium is being used by Dr. Nicholas Radon's practice EHR-S to place orders electronically to Century Hospital's Clinical Laboratory. Century Hospital has made changes to their test compendium:

- Added CPT codes for the Stool culture with susceptibility reflex
- Added CPT codes for the susceptibility panel
- Added CPT codes for the individually orderable stool culture

Century Hospital's LIS transmits the appropriate eDOS update messages with these changes to Dr. Radon's EHR.

Comments

Update changes for addition of charge codes (CPT codes) for individually orderable tests as well as the new panels.
