-Description

The Laboratory Test Compendium from Century Hospital Clinical Laboratory is a subset of their Directory of Services. It is based upon the most commonly ordered lab tests by Dr. Radon. This compendium is being used by Dr. Nicholas Radon's practice EHR-S to place orders electronically to Century Hospital's Clinical Laboratory. Century Hospital has made changes to their test compendium:

- Removed a CPT code from CBC with Differential and changed a usage Note

Century Hospital's LIS transmits the appropriate eDOS update messages with these changes to Dr. Radon's EHR.

-Comments

Update changes for revision of charge codes (CPT codes).
